

**2002 EQIP PRIORITY CONCERNS  
PRACTICE LIST - CROPLAND SYSTEMS**

Practice Code	Practice Name	Cost-Share Method	Cost-Share Rate Based on County Average	Remarks
329A	Residue Management (No Till/ Strip Till)	FR	\$30 per Acre calendar year for double crop; \$15 per Acre calendar year for single crop	No residue removal or harvesting. 3 year Maximum incentive payment for any one field. Field not eligible if cost-share funding received from another program on the same field. 60% residue required at planting. Must be enrolled for 3 years.
330	Contour Farming	FR	\$5.00 /Acre Establishment	
340	Cover Crop	FR	\$15 per Acre	<b>For Nutrient Trap Crop:</b> 3 year Maximum payment for any one field. No fertilizer prior to March 1; No harvesting of cover crop. <b>For Residue:</b> May be used to provide required residue after low residue crop such as Cotton or Beans after Corn. Cover crop not to be harvested.
342	Critical Area Planting	AC	50%	
350	Sediment Basin	AM	65%	Cost based on engineers estimate
362	Diversion	AC	65%	
386	Field Border	AC	50%	
390	Riparian Herbaceous Buffer	FR	\$50 / Acre Incentive Payment Only	Buffer must be at least 25 feet wide; livestock must be excluded; Incentive payment for up to 3 years
391	Riparian Forest Buffer	FR	\$100 / Acre Incentive Payment Only	<b>Incentive payment may not be used on CREP acres.</b> Buffer must be at least 35 feet wide; livestock must be excluded; Incentive payment for up to 3 years.
393	Filter Strip	AC	75%	
410	Grade Stabilization Structure	AM	65%	Cost based on engineers estimate
412	Grassed Waterway	AC	65%	
468	Lined Waterway or Outlet	AM	65%	Cost based on engineers estimate
512	Pasture and Hayland Planting	AC	50%	Seed, Labor, (Lime & Fertilizer) See Footnote 2; Must have soil test. Practice is for Cropland conversion only.
580	Streambank Protection	AC	50%	Vegetative Practices Only; Livestock must be excluded
585	Stripcropping, Contour	FR	\$30.00 / Acre	
585B	Stripcropping, Buffer	FR	\$30.00 / Acre	
586	Stripcropping, Field	FR	\$30.00 / Acre	

590	Nutrient Management	FR	One time payment of \$5 per acre for new plan or required revision	Maximum of 400 acres may be cost shared
595	Pest Management	AC	50% for treatment of noxious weeds	One time per contract
600	Terrace	AC	65%	
612	Tree & Shrub Establishment	AC	50%
